where the mountains and the ocean meet

# International Education Program

Each of our secondary and elementary schools enrolls a limited number of international students. Through select placement, we ensure each international student integrates into their local school community. Our schools are embedded within the fabric of their communities, and our homestay program enhances our international students' Canadian community experience.

# Support for International Students

- Age appropriate placements.
- Welcome orientation for all new international students.
- Support from a dedicated group of teachers, administrators, counsellors, and International Education Program staff.
- English as a second language support.
- Assessments to determine English proficiency in writing, speaking and listening.
- Integration into Canadian school and community life.

Diversity is a priority for our International Education program. Annually, we welcome students from over 30 countries!

## Excellent homestays

International students will live with a Canadian family, learn Canadian culture and develop lifelong friendships, while developing their English language skills in a caring, comfortable family setting.

# North Vancouver School District

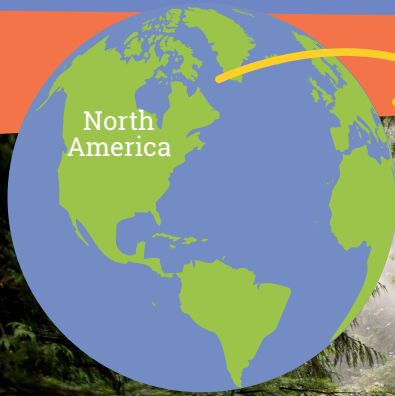

Through 25 elementary schools and six secondary schools that accept international students, the North Vancouver School District delivers to its approximately 16,000 students an educational experience that meets the highest possible standard of academic excellence. In addition to academic programming, we offer many unique and enhanced programs, including arts, music, outdoor education, athletics, and digital media and technology. As a result of our comprehensive programming, our students succeed in meeting career and life goals, and our graduates are awarded millions of dollars in scholarships each year.

## Our vision

We provide world-class instruction and a rich diversity of engaging programs to inspire success for every student and bring communities together to learn, share and grow.

# North Vancouver

Nestled in a forested setting, with the ocean at its base and mountains at its peak, North Vancouver is nature's ultimate playground. Home to world-class ski resorts, parks, hiking trails, beaches, restaurants and big name and independent shops, North Vancouver has something for everyone. Its climate provides a unique setting where four distinct seasons and mild weather patterns allow for outdoor, water and alpine activities...all possible in the same day. North Vancouver is a 20-minute drive from downtown Vancouver and a 90-minute drive from Whistler Blackcomb.
