## Why Kamloops?

Kamloops-Thompson International Student Program takes place in Kamloops, British Columbia or surrounding area.

Kamloops is a small city of 90,000 people in the province's interior. Kamloops and the surrounding region boast:

- 📍 A safe and affordable community
- 📍 A diverse population that offers a truly Canadian cultural and family experience
- 📍 Year-round recreation opportunities
- 📍 Access to British Columbia's renown high school graduation program and to earn a Dogwood graduation diploma

With four seasons and a mild climate, Kamloops is a natural playground. There are endless opportunities to enjoy the city and area inside and out! Lakes, trails, ski hills, skate parks, indoor and outdoor pools are just a few of the benefits of living in Kamloops. Kamloops provides opportunities for shopping, movie theatres, watching the Kamloops hockey team, quality restaurants, live music and theatre.

There are many choices of activities to consider while in Kamloops; a great place to live, study and visit!

## The Student Activities Program

All students are able to participate in the extensive activities program during their stay, offering several opportunities every month. The activities program keeps students connected and helps students make friends while they enjoy sports and cultural experiences.

## The Homestay Program

The Homestay Program is a very important part of what we offer in Kamloops. We are proud of the supportive Canadian families that are excited to host international students.

Our experienced homestay team works hard to match families with students of similar interests.

Students are placed as close to the attending school as possible, often within walking distance or in an area served by a school or transit bus.
