Education Excellence at a glance

COLLÈGE DU LÉMAN
International School · Geneva

At a glance...

We help students find their place in the world and promise to support them to love learning and achieve more than they ever thought possible.

Our diplomas, languages and extracurricular options are taught by the very best teachers from around the world and crafted into a personalized programme for every child.

Our RISE values (Respect, Internationalism, Spirit, Excellence) unite our community and help our students become compassionate global citizens.

As a Swiss international school, we set the highest standards in every-thing we do. We aim for outstanding results across our 5 diploma pro-grammes for every single one of our students.

We welcome you and your children and look forward to help them find their place in the world!

The laws and traditions of the societies in which

The admissions steps

Come and visit any time!

We highly recommend that you come and see us in Geneva, at any stage in the admissions process. We would be delighted to welcome you and your family, to show you around our campus and to meet with members of the academic and pastoral team.
