NEW EXPERIENCES

Students love New Zealand because of the natural beauty, friendly people, open spaces and excellent education system. New Zealand is one of the top three safest countries in the world due to the low crime rate and absence of dangerous animals.

Auckland's east coast beaches (five minutes from the school) have small waves and are perfect for swimming, sailing, kayaking and stand up paddle boarding. The west coast beaches (40 minutes from the school) have big waves and are perfect for surfing.

We encourage our international students to explore the country they are living in so we work with a small number of tour companies who are experts in creating exciting tours for international students.

LOCATION

Rangitoto College is located in Mairangi Bay, Auckland; New Zealand's largest city. Auckland is a modern city with skyscrapers, excellent shopping and a world class selection of cafés and restaurants.

Mairangi Bay is on the North Shore of Auckland, only 20 minutes from downtown and close to a large shopping mall.

The North Shore is a busy and growing area which has beaches and open spaces for which New Zealand is so well known.

The north shore has a population of over 229,000 and around 148 kilometers of beautiful coastline.
